

Sigma privilege Antwerp

St. Vincentius Building

Sigma privilege was created to provide a service of excellence regarding housing in Antwerp City for business men and specialized workers.

Sigma privilege has an experienced team with more than 10 years on the real estate market with a profound knowledge of the city, ready to welcoming you and your workers to Antwerp.

For those companies that want to focus only on their core business and don't want to worry about finding housing solutions for their workforce, or where to eat at an affordable price, Sigma privilege can and will take care of it for you!

Building located in Antwerp center, just by the LangeLeemstraat and Sint Vicentiusstraat hospital. Public transportation are close by and the building is within walking distance to supermarkets, cafes, restaurants, banks, amongst others.

The building is composed by 15 double rooms, accommodating a maximum of 24 men. Most rooms have their own individual bathroom, although there are shared bathrooms throughout the buildings floors. There is cable TV on all rooms as well as WI-FI Internet.

On the top floor there is a fully equipped communal kitchen, set for the guests own meals preparation. There is also a very enjoyable terrace with a nice Antwerp rooftop line view.

Please do not hesitate to consult us for a quote and to check the buildings availability.
