Sigma privilege has prepared these two buildings to welcome mainly workers and expats that work at Antwerp Harbor and surroundings.

These buildings are located near the entrance of the Antwerp harbor, avoiding all the traffic confusion that Antwerp is facing right now.

Our facilities have 66 rooms with single and double beds, totally refurbished.

We provide full board, meaning that our guests will have their meals cooked by a professional staff with more than 30 years of experience cooking Mediterranean food.

They will have breakfast, lunch and waiting for them at the end of the day a full and hot dinner. Enjoy!
